

## Week Away Gameviewing

### Night 1 - Macushla / Langata

After being received at the airport you will spend your first night at Macushla, a charming bed and breakfast situated in a quiet suburb of Nairobi. In the afternoon we can visit the neighboring Giraffe Center where you can feed endangered baby and adult Rothschild's Giraffe. The center was created to conserve these striking animals but also to educate Kenya's school children about the plight of all of Kenya's wildlife.

### Night 2-4 - Tortilis Camp / Amboseli

Dwarfed by the majestic snow-capped peak of Mt. Kilimanjaro, Tortilis camp nestles in a verdant acacia grove. Luxury tents with private ensuite bathrooms and unrivalled views of the mountain make this, one of the most picturesque parks in Kenya to view wildlife.

## Night 5-7 -Elephant Pepper Camp / Mara

Situated right on the Northern Edge of the Maasai Mara reserve this 8-tented bush camp, is tucked away in a prime wildlife area. Walking with qualified guides and unwinding around the glowing embers of a campfire all add to the authenticity of a true bush experience. Creature comforts are not sacrificed either with ensuite bathrooms being part of each spacious tent.

Looking from camp across the plains one can see the 'greatest game show on earth' when the annual wildebeest migration thunders past to seek new grazing in the lush savannahs of the Maasai Mara.
