

Week Away on Safari and at the Kenyan Coast

Arrive in Nairobi in the morning and fly straight on to the Masai Mara in time for a delicious lunch at the Mara Intrepids Camp.

Nights 1-4

Intrepids is a traditional luxury bush camp on the Talek River in the heart of the Masai Mara. The camp is very well situated for game viewing being nearly adjacent to the famous Rekeru crossing, and each day you can explore a new area with your personal driver/guide. The camp has a swimming pool which is perfect for dips after game drives.

Nights 4-7

From Intrepids you will fly to Lamu on Kenya's beautiful Swahili coast. On Lamu you will stay at Banana House in the small sleepy town of Shela. Each day you can explore a new aspect of Lamu, from its long, white sand beaches to its fascinating history and architecture. With no vehicles on Lamu the chosen mode of transport is by dhow (traditional Arabic sailboat) and this can be an excellent way of enjoying a sundowner on the Indian Ocean.
